

Stewardship

Definition: *taking care of our natural resources to protect them for current and future generations*

How many words can you spell using the letters in the word **Stewardship**?

Nature Bingo

When you are in nature—a park, forest or your own backyard—look for the following items. Mark an X in the box if you see that item. Use the free space to write in something cool that you see that isn't included. Remember to look with only your eyes! Complete a row going across, down, or diagonally, and you have Nature Bingo!

Bird on a nest	Moss growing at the base of a tree	Spider web
Flower in bloom	Person kayaking or canoeing	Pine cone
Berries	Free Space	Wasp or Bee
Educator doing a nature program	Animal tracks	Person wearing a backpack
Squirrels hiding nuts	Waterfall	Deer
Eagle	Someone cleaning up litter	Geese flying in a "V" formation
