

Support state parks and forests through the PA Parks & Forests Foundation

Believing that each generation is responsible for leaving a legacy of good stewardship, the Pennsylvania Parks and Forests Foundation was established in 1999 to give users and supporters of Pennsylvania's parks and forests a positive way to contribute to the conservation of our publicly owned lands.

PPFF is a Valued Institution in Pennsylvania

PA Parks and Forests Foundation is the premier foundation supporting Pennsylvania's parks and forests. We accomplish our mission by:

- ◆ Working in partnership with state parks and forests to establish a network of friends groups who become the voice and stewards of our public lands.
- ◆ Creating public/private partnerships at the local, regional and state levels.
- ◆ Providing a tax-deductible vehicle to allow citizens to donate or bequeath money to Pennsylvania's state parks and forests.
- ◆ Engaging people in outdoor recreation, education and volunteerism.
- ◆ Working in partnership with other organizations and individuals to acquire new lands to enhance Pennsylvania's parks and forests system.
