WHO ARE THE FRIENDS?

The Friends of Parker Dam is a chapter of the Pennsylvania Parks and Forests Foundation (PPFF—www.paparksandforests.org). PPFF is a private, non-profit organization that works to develop resources which complement those of the Department of Conservation and Natural Resources (DCNR).

The Friends of Parker Dam is made up of people of all ages and talents, who volunteer for the park or provide financial support to the park to enhance recreational resources, educational experiences, and events.

YOUR INVOLVEMENT IS IMPORTANT BECAUSE...

The Friends of Parker Dam is a vital link between DCNR (the parks) and the local community. It provides an opportunity to work with others of similar interests to improve their local state parks. Best of all – you can get actively involved in the outdoors in a beautiful setting!

WHAT YOU CAN DO WITH YOUR MEMBERSHIP

As a member, you can choose how much you're involved. Help with events that suit your interests and schedule. Only available certain times a year? No problem! Any help is appreciated. We have meetings once a month, and anyone's welcome to attend. We're looking for new ideas and hope to grow.

WHAT MEMBERS OF THE FRIENDS OF PARKER DAM DO

The Friends of Parker Dam exists to promote the recreational and educational programs of the Parker Dam State Park Complex (S.B. Elliott State Park included) through:

- Involvement in park programs and events such as Woodsy Owl Weekend, Woodhick Weekend, Annual Fall Festival and Pumpkin Float, and many others.
- Become part of the park's corps of Conservation Volunteers and work on projects such as staffing the Lou and Helen Adams C.C.C. Museum, trail and garden maintenance, Cavity-nesting Trail monitors, and numerous other projects.
- Build working relationships between the Friends, the parks, local civic organizations, and local businesses.
- Continually seek funding and volunteers to further their efforts.
