

## 125 YEARS OF STEWARDSHIP IS HARDLY TRIVIAL

*But it doesn't mean we can't have some fun!*

1. What did the National Recreation and Parks Association say about Pennsylvania's state parks in 2009?
2. For how many years have our state forests been recognized for environmentally responsible stewardship?
3. What notorious road hazard is more impressive as a geologic feature?

*See answers on reverse!*

More ways to take part in the celebration can be found on the Pennsylvania Parks and Forests Foundation website at [PAParksandForests.org/Get-Involved/125-Years-ParksandForests](http://PAParksandForests.org/Get-Involved/125-Years-ParksandForests)
