

Pennsylvania Parks & Forests Foundation Fact Sheet for Friends Groups—Art in the Park

Art—like beauty—is in the eye of the beholder and *Art in the Park* events can take as many forms as there are eyes to behold them! Whatever its form, *Art in the Park* is a great way to connect art, people of all ages, and nature!

For purposes of this fact sheet, *Art in the Park* refers specifically to sponsoring a step by step painting class. The event can be offered several times during the year in different seasons. The Friends group would purchase the easels, brushes, paint, and canvas. The participant brings their own chair. The original outlay of money for supplies will be recouped by a fee paid to participate. The easels and brushes will be reused each time you hold the event.

A “painting party” shop may be your town or nearby. And enterprises usually involve party atmosphere, we think nature can be liberating participants’ creativity!

Instructor: Ask local artists if they are interested in providing their expertise. To find interested people you can ask on Facebook, contact art teachers and local artists. See if you can offer free camp site for the weekend of the class to the instructor as a thank you.

Location: Any beautiful setting in your state park or forest! Nature is the inspiration! Be sure there is a large enough spot to set up easels and chairs for your artists. Having a pavilion or pop-ups to use in case of rain would be helpful.
