

#RecreateResponsibly *Winter Edition*

KNOW BEFORE YOU GO

Some areas can become dangerous with winter conditions. Research your destination, as roads and facilities may be closed in winter.

PRACTICE PHYSICAL DISTANCING

Be prepared to cover your nose and mouth. When possible, opt to eat and rest outside. If you feel sick, stay home.

PLAN AHEAD

Check local conditions and prepare for the elements, packing extra layers, waterproof clothing, and avalanche safety gear for the backcountry.

PLAY IT SAFE

Know your limits and your gear. Slow down and choose lower-risk activities to reduce your risk of injury.

EXPLORE LOCALLY

Consider exploring locally, as driving and parking may be more challenging in winter. If you travel, be mindful of your impact on Native and local communities.

LEAVE NO TRACE

Did you know that the snow is our water supply? Keep our winter playgrounds clean. Pack out any human or pet waste. Be respectful of the land.

BUILD AN INCLUSIVE OUTDOORS

Everyone deserves to experience a winter wonderland. Be an active part of making the outdoors safe, accessible, and welcoming for all identities and abilities.
