

GRANT SUBMITTAL POLICY

Grant writing is one form of fundraising available to friends groups, as well as parks and forests, in cooperation with PPFF. The positive side of grant funding is: 1) you can generally raise a large sum of money quickly; 2) it builds relationships with grant making institutions; and 3) it supports your mission. The downside of grant funding is that: 1) the funds are restricted to what you propose in the budget and narrative; 2) grants can be time consuming to write and manage depending on management guidelines; 3) grants generally come with time lines that must be tracked and followed. and 4) some grants often demand a supplemental match in funds (cash or in-kind).

Due to the volume of grants that friends/parks/forests are seeking to write, it is absolutely necessary that PPFF be notified when you plan to submit a grant utilizing our Employer Identification Number (EIN). Information that needs to be provided to PPFF at least three weeks in advance of submitting the grant are:

- 1. Source of the funds sought and contact information
- 2. Project being funded
- 3. Any accounting restrictions
- 4. Grant deadline
- 5. Project construction and completion schedule
- 6. Contact of person managing or submitting the grant
- 7. Budget for grant and a copy of the application

Submitting this information helps us to track where our EIN is being submitted, helps to avoid duplicate asks, and can assist us in better serving you. There has been more than one time a foundation has inquired regarding a grant application and we could not answer their questions because PPFF was not informed of the original grant submission. This does not hold the friends group or PPFF in a positive light in the eyes of any foundation. To that end, grant applications received that do not fully address items I-7 and those not received three weeks prior to submission to a foundation or other granting entity will be uniformly and outrightly denied by PPFF.

All <u>PPFF-related</u> grant <u>signature authority</u> MUST come from the <u>Chair of the PPFF Board of Directors or designee</u>. Friends groups <u>shall not</u> sign a legally binding document such as a grant contract that commits the PPFF through the use of our EIN. Why? As the holder of the EIN,

PPFF is legally responsible for all funds raised and to ensure that funds are spent according to grant agreements.

PPFF will assess a 4% administrative fee on all grants. For the most part, this can be built into the grant request. The reason for this fee is that the accounting requirements to track funds have increased and PPFF administrative costs must be accounted for-managing the grants, following the accounting protocol required by the grant/IRS/our accountant, submitting or reviewing reports, etc. (For example: A \$10,000 grant would result in a fee of \$400.) An administrative fee is not uncommon—colleges and universities charge their own departments upwards of 30%! The fee does not apply to PPFF matching grants.

If you are considering applying for a federal grant, you must contact PPFF <u>during your early planning and absolutely</u> prior to submittal. Some federal grants have such complicated accounting protocol that we need to review these on a case-by-case basis.

If a grant requires an audit by a CPA as part of the final report, the chapter/park/forest will be required to pay for that report out of their account.

Approved by the PPFF Board of Directors: 4/5/2021 (with an annual review required).

REQUEST FOR GRANT CONSIDERATION

Before applying for any grant, the following steps must be taken:

- I. This Request for Grant Consideration form must be submitted to the Pennsylvania Parks and Forests Foundation.
- 2. For request to be considered, chapter must be up-to-date on required paperwork (annual reports, financial reports, etc)
- 3. If given permission to proceed with application, send copy of application and narrative to PPFF for review before submitting and signing (if signature required).
- 4. If grant awarded, send contract to PPFF for review and signing.
- 5. Complete any grant report required by the grant.
