A LEARNING ADVENTURE!

EVER SINCE I WAS A LITTLE GIRL, THE BOOK FLAT STANLEY BY JEFF BROWN HAS BEEN ONE OF MY FAVORITES. AS THE STORY GOES, STANLEY FINDS A LIFE OF ADVENTURE AFTER WAKING ONE MORNING AND FINDING HIMSELF FLATTENED BY A BIG BULLETIN BOARD.

IN THE SPIRIT OF “FLAT STANLEY,” I PRESENT TO YOU “MY DCNR RANGER”. IN ITS PAGES YOU WILL LEARN ABOUT THE WORK OF A PENNSYLVANIA STATE PARK AND FOREST RANGER.

PICK ONE OF THE RANGERS TO COLOR, GIVE THEM A NAME, AND TAKE THEM ON SOME ADVENTURES EXPLORING PENNSYLVANIA STATE PARKS AND FORESTS. HAVE FUN!

HAPPY EXPLORING!

#WorldRangerDay

The initial release of this book corresponds with World Ranger Day, celebrated around the world on July 31st each year on the anniversary of the founding of [The International Ranger Federation \(IRF\)](#), an organization that supports the work of rangers as the key protectors of parks and conservation.

World Ranger Day will also remember those rangers who have been injured or killed in the line of duty while protecting national and state parks.

My DCNR Ranger was produced with assistance from the Pennsylvania Department of Conservation and Natural Resources, Bureau of Recreation, and Conservation's Community Conservation Partnership Program; and through the generous support of donors & members.

SO WHAT DOES MY RANGER DO?

Your Ranger is someone who is entrusted with protecting and preserving parks and forests. A Ranger patrols the parks and forests by vehicle, bike, boat, ATV, and foot.

They are law enforcement officers who work to keep you and our natural resources safe. A ranger is just one of many people needed to keep our parks and forests running smoothly. Below are some of the other jobs titles.

Circle ones that you would like to explore.

YOUR RANGER IN ACTION

Rangers share information by providing directions and answering questions about state parks and forests facilities, plants and animals, environmental features, and the history of the park or forest.

YOUR RANGER IN ACTION

Rangers help you if you have an accident, get lost, or need assistance. They must be trained in CPR and First Aid, as well as search and rescue.

YOUR RANGER IN ACTION

Rangers give educational presentations about a variety of topics. They also explain park and forest rules and regulations.

YOUR RANGER IN ACTION

Rangers can often be found patrolling within the state parks or forests boundaries by foot, vehicle, bike, or boat. When you are on the water, remember to always practice water safety and wear your life vest!

YOUR RANGER IN ACTION

Rangers are there to help. If you see a problem or if something is wrong, wave a Ranger down. They will help!

YOUR RANGER IN ACTION

Rangers patrol within the state parks and forests boundaries checking the trails, overlooks, grounds, buildings, and waterways for safety hazards and cleanliness.

BINGO!

When you are in nature—a park, a forest, or your own backyard—look! Up, down, and around—there is so much to discover! Put an “x” in the box when you see that item. Use the free spaces to write in something cool that’s not listed. Complete a row up, down, or diagonally and you have Bingo! Remember—LOOK WITH YOUR EYES ONLY

RESPECT OUR NATURAL WORLD

Practice the following skills to be a caretaker of our great outdoors:

- ☑ OBSERVE WILDLIFE FROM A DISTANCE.
- ☑ LOOK WITH YOUR EYES.
- ☑ TREAD LIGHTLY AND STAY ON TRAILS.
- ☑ LEAVE NO TRASH BEHIND.
- ☑ DON'T BRING FIREWOOD FROM HOME. YOU MIGHT BE MOVING INVASIVE INSECTS.
- ☑ GATHER ONLY FIREWOOD THAT IS ON THE GROUND AND NO BIGGER THAN AN ADULT'S WRIST.
- ☑ MAKE SURE CAMPFIRES ARE COMPLETELY OUT AND COLD TO THE TOUCH.
- ☑ PICK UP ALL SPILLED FOOD—IT DISCOURAGES WILDLIFE FROM BECOMING PESTS.
- ☑ USE YOUR “INDOOR VOICE” EVEN THOUGH YOU ARE OUTDOORS.
